SUMMARY OF SCORES:

The received response was evaluated using the cumulative grade point average [CGPA] method. As prescribed by NAAC, each question has a multiple choice system with scores ranging from 0 to 4. For each response, the total score was added and the grade point calculated by dividing the cumulative score by the total number of respondents.

CGPA of less than 3 were taken as areas in which the college has to improve upon and accordingly the IQAC formulated recommendations and action plans to improve upon the areas of concern.

RECOMMENDATIONS AND ACTION PLANS:

The Survey has pointed out the following areas in which the IQAC administration needs attention and improvement to enhance the quality of education in the Institution.
