- 3. To observe the International Day of the Girl Child.**

Action Taken

- 1. As a consequence of the imposition of the lockdown due to the COVID-19, the Gender Sensitization Action Plan could not be implemented fully. Nonetheless, some online activities have been conducted to sensitize students on gender issues. The NSS organised the International Women's Day 2021 wherein students prepared online posters and shared audio clips of self composed poetry on the theme of Women's Day. This helped increase awareness on gender issues.**
- 2. To commemorate the International Day of the Girl Child, students prepared online posters on the given theme.**
- 3. The Internal Complaints Committee did not convene any meetings as no grievances were received related to sexual harassment at workplace.**
